

PRESS RELEASE

FOR IMMEDIATE RELEASE

Date: 15 March 2011

MIAMI, FL---Swire Properties today announced the appointment of Arquitectonica as the architect of Swire's Brickell CitiCentre project. Expected to be under construction by Second Quarter 2012, the Brickell CitiCentre project will contain nearly 5 million square feet of mixed use development on the site located strategically in the heart of Miami's vibrant Brickell district.

Brickell CitiCentre will be designed to include an artful mix of upscale components appropriate to the exceptional retail location and in keeping with Swire Properties' depth of experience globally in developing sophisticated urban projects of similar scale. According to Arquitectonica founding Principal Bernardo Fort-Brescia, "Brickell CitiCentre fits well within our current portfolio of world class design projects. It is great to be working with Swire Properties on major assignments on both sides of the globe."
